27 representing herself in this proceeding and has chosen not to exercise her right to be represented
28 by counsel.

1 3. On or about April 30, 1987, the Board of Registered Nursing issued Registered Nurse

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Registered Nurse License No. 412172 issued to Respondent Ann McElwee Prescott, RN, a.k.a. Ann McElwee is revoked. However, the revocation is stayed and Respondent is placed on probation for two (2) years on the following terms and conditions.

Severability Clause. Each condition of probation contained herein is a separate and distinct condition. If any condition of this Order, or any application thereof, is declared unenforceable in whole, in part, or to any extent, the remainder of this Order, and all other applications thereof, shall not be affected. Each condition of this Order shall separately be valid and enforceable to the fullest extent permitted by law.

1. **Obey All Laws.** Respondent shall obey all federal, state and local laws. A full and detailed account of any and all violations of law shall be reported by Respondent to the Board in writing within seventy-two (72) hours of occurrence. To permit monitoring of compliance with this condition, Respondent shall submit completed fingerprint forms and fingerprint fees within 45 days of the effective date of the decision, unless previously submitted as part of the licensure application process.

Criminal Court Orders: If Respondent is under criminal court orders, including probation or parole, and the order is violated, this shall be deemed a violation of these probation conditions, and may result in the filing of an accusation and/or petition to revoke probation.

2. **Comply with the Board's Probation Program.** Respondent shall fully comply with the conditions of the Probation Program established by the Board and cooperate with representatives of the Board in its monitoring and investigation of the Respondent's compliance with the Board's Probation Program. Respondent shall inform the Board in writing within no more than 15 days of any address change and shall at all times maintain an active, current license status with the Board, including during any period of suspension.

Upon successful completion of probation, Respondent's license shall be fully restored.

3. **Report in Person.** Respondent, during the period of probation, shall appear in person at interviews/meetings as directed by the Board or its designated representatives.

1 4. **Residency, Practice, or Licensure Outside of State.** Periods of residency
2 or practice as a registered nurse outside of California shall not apply toward a reduction of this
3 probation time period. Respondent's probation is tolled, if and when she resides outside of
4 California. Respondent must provide written notice to the Board within 15 days of any change of
5 residency or practice outside the state, and within 30 days prior to re-establishing residency or
6 returning to practice in this state.

7 Respondent shall provide a list of all states and territories where she has ever been licensed
8 as a registered nurse, vocational nurse, or practical nurse. Respondent shall further provide
9 information regarding the status of each license and any changes in such license status during the
10 term of probation. Respondent shall inform the Board if she applies for or obtains a new nursing
11 license during the term of probation.

12 5. **Submit Written Reports.** Respondent, during the period of probation,
13 shall submit or cause to be submitted such written reports/declarations and verification of actions
14 under penalty of perjury, as required by the Board. These reports/declarations shall contain
15 statements relative to Respondent's compliance with all the conditions of the Board's Probation
16 Program. Respondent shall immediately execute all release of information forms as may be
17 required by the Board or its representatives.

18 Respondent shall provide a copy of this Decision to the nursing regulatory agency in every
19 state and territory in which she has a registered nurse license.

20 6. **Function as a Registered Nurse.** Respondent, during the period of
21 probation, shall engage in the practice of registered nursing in California for a minimum of 24
22 hours per week for 6 consecutive months or as determined by the Board.

23 For purposes of compliance with the section, "engage in the practice of registered nursing"
24 may include, when approved by the Board, volunteer work as a registered nurse, or work in any
25 non-direct patient care position that requires licensure as a registered nurse.

26 The Board may require that advanced practice nurses engage in advanced practice nursing
27 for a minimum of 24 hours per week for 6 consecutive months or as determined by the Board.

28 If Respondent has not complied with this condition during the probationary term, and

1 Respondent has presented sufficient documentation of her good faith efforts to comply with this
2 condition, and if no other conditions have been violated, the Board, in its discretion, may grant an
3 extension of Respondent's probation period up to one year without further hearing in order to
4 comply with this condition. During the one year extension, all original conditions of probation
5 shall apply.

6 **7. Employment Approval and Reporting Requirements.** Respondent shall
7 obtain prior approval from the Board before commencing or continuing any employment, paid or
8 voluntary, as a registered nurse. Respondent shall cause to be submitted to the Board all
9 performance evaluations and other employment related reports as a registered nurse upon request
10 of the Board.

11 Respondent shall provide a copy of this Decision to her employer and immediate
12 supervisors prior to commencement of any nursing or other health care related employment.

13 In addition to the above, Respondent shall notify the Board in writing within seventy-two
14 (72) hours after she obtains any nursing or other health care related employment. Respondent
15 shall notify the Board in writing within seventy-two (72) hours after she is terminated or
16 separated, regardless of cause, from any nursing, or other health care related employment with a
17 full explanation of the circumstances surrounding the termination or separation.

18 **8. Supervision.** Respondent shall obtain prior approval from the Board
19 regarding Respondent's level of supervision and/or collaboration before commencing or
20 continuing any employment as a registered nurse, or education and training that includes patient
21 care.

22 Respondent shall practice only under the direct supervision of a registered nurse in good
23 standing (no current discipline) with the Board of Registered Nursing, unless alternative methods
24 of supervision and/or collaboration (e.g., with an advanced practice nurse or physician) are
25 approved.

26 Respondent's level of supervision and/or collaboration may include, but is not limited to the
27 following:

28 (a) Maximum - The individual providing supervision and/or collaboration is present in

1 the patient care area or in any other work setting at all times.

2 (b) Moderate - The individual providing supervision and/or collaboration is in the patient
3 care unit or in any other work setting at least half the hours Respondent works.

4 (c) Minimum - The individual providing supervision and/or collaboration has person-to-
5 person communication with Respondent at least twice during each shift worked.

6 (d) Home Health Care - If Respondent is approved to work in the home health care
7 setting, the individual providing supervision and/or collaboration shall have person-to-person
8 communication with Respondent as required by the Board each work day. Respondent shall
9 maintain telephone or other telecommunication contact with the individual providing supervision
10 and/or collaboration as required by the Board during each work day. The individual providing
11 supervision and/or collaboration shall conduct, as required by the Board, periodic, on-site visits to
12 patients' homes visited by Respondent with or without Respondent present.

13 9. **Employment Limitations.** Respondent shall not work for a nurse's
14 registry, in any private duty position as a registered nurse, a temporary nurse placement agency, a
15 traveling nurse, or for an in-house nursing pool.

16 Respondent shall not work for a licensed home health agency as a visiting nurse unless the
17 registered nursing supervision and other protections for home visits have been approved by the
18 Board. Respondent shall not work in any other registered nursing occupation where home visits
19 are required.

20 Respondent shall not work in any health care setting as a supervisor of registered nurses.
21 The Board may additionally restrict Respondent from supervising licensed vocational nurses
22 and/or unlicensed assistive personnel on a case-by-case basis.

23 Respondent shall not work as a faculty member in an approved school of nursing or as an
24 instructor in a Board approved continuing education program.

25 Respondent shall work only on a regularly assigned, identified and predetermined
26 worksite(s) and shall not work in a float capacity.

27 If Respondent is working or intends to work in excess of 40 hours per week, the Board may
28 request documentation to determine whether there should be restrictions on the hours of work.

1 10. **Complete a Nursing Course(s).** Respondent, at her own expense, shall
2 enroll and successfully complete a course(s) relevant to the practice of registered nursing no later
3 than six months prior to the end of her probationary term.

4 Respondent shall obtain prior approval from the Board before enrolling in the course(s).
5 Respondent shall submit to the Board the original transcripts or certificates of completion for the
6 above required course(s). The Board shall return the original documents to Respondent after
7 photocopying them for its records.

8 11. **Cost Recovery.** Respondent shall pay to the Board costs associated with
9 its investigation and enforcement pursuant to Business and Professions Code section 125.3 in the
10 amount of \$8000.00. Respondent shall be permitted to pay these costs in a payment plan
11 approved by the Board, with payments to be completed no later than three months prior to the end
12 of the probation term.

13 If Respondent has not complied with this condition during the probationary term, and
14 Respondent has presented sufficient documentation of her good faith efforts to comply with this
15 condition, and if no other conditions have been violated, the Board, in its discretion, may grant an
16 extension of Respondent's probation period up to one year without further hearing in order to
17 comply with this condition. During the one year extension, all original conditions of probation
18 will apply.

19 12. **Violation of Probation.** If Respondent violates the conditions of her
20 probation, the Board after giving Respondent notice and an opportunity to be heard, may set aside
21 the stay order and impose the stayed discipline (revocation/suspension) of Respondent's license.

22 If during the period of probation, an accusation or petition to revoke probation has been
23 filed against Respondent's license or the Attorney General's Office has been requested to prepare
24 an accusation or petition to revoke probation against Respondent's license, the probationary
25 period shall automatically be extended and shall not expire until the accusation or petition has
26 been acted upon by the Board.

27 ///

1 13. **License Surrender.** During Respondent's term of probation, if she ceases
2 practicing due to retirement, health reasons or is otherwise unable to satisfy the conditions of
3 probation, Respondent may surrender her license to the Board. The Board reserves the right to
4 evaluate Respondent's request and to exercise its discretion whether to grant the request, or to
5 take any other action deemed appropriate and reasonable under the circumstances, without further
6 hearing. Upon formal acceptance of the tendered license and wall certificate, Respondent will no
7 longer be subject to the conditions of probation.

8 Surrender of Respondent's license shall be considered a disciplinary action and shall
9 become a part of Respondent's license history with the Board. A registered nurse whose license
10 has been surrendered may petition the Board for reinstatement no sooner than the following
11 minimum periods from the effective date of the disciplinary decision:

12 (1) Two years for reinstatement of a license that was surrendered for any reason other
13 than a mental or physical illness; or

14 (2) One year for a license surrendered for a mental or physical illness.

15 14. **Physical Examination.** Within 45 days of the effective date of this
16 Decision, Respondent, at her expense, shall have a licensed physician, nurse practitioner, or
17 physician assistant, who is approved by the Board before the assessment is performed, submit an
18 assessment of the Respondent's physical condition and capability to perform the duties of a
19 registered nurse. Such an assessment shall be submitted in a format acceptable to the Board. If
20 medically determined, a recommended treatment program will be instituted and followed by the
21 Respondent with the physician, nurse practitioner, or physician assistant providing written reports
22 to the Board on forms provided by the Board.

23 If Respondent is determined to be unable to practice safely as a registered nurse, the
24 licensed physician, nurse practitioner, or physician assistant making this determination shall
25 immediately notify the Board and Respondent by telephone, and the Board shall request that the
26 Attorney General's office prepare an accusation or petition to revoke probation. Respondent shall
27 immediately cease practice and shall not resume practice until notified by the Board. During this
28 period of suspension, Respondent shall not engage in any practice for which a license issued by

1 the Board is required until the Board has notified Respondent that a medical determination
2 permits Respondent to resume practice. This period of suspension will not apply to the reduction
3 of this probationary time period.

4 If Respondent fails to have the above assessment submitted to the Board within the 45-day
5 requirement, Respondent shall immediately cease practice and shall not resume practice until
6 notified by the Board. This period of suspension will not apply to the reduction of this
7 probationary time period. The Board may waive or postpone this suspension only if significant,
8 documented evidence of mitigation is provided. Such evidence must establish good faith efforts
9 by Respondent to obtain the assessment, and a specific date for compliance must be provided.
10 Only one such waiver or extension may be permitted.

11 **15. Participate in Treatment/Rehabilitation Program for Chemical**
12 **Dependence.** Respondent, at her expense, shall successfully complete during the probationary
13 period or shall have successfully completed prior to commencement of probation a Board-
14 approved treatment/rehabilitation program of at least six months duration. As required, reports
15 shall be submitted by the program on forms provided by the Board. If Respondent has not
16 completed a Board-approved treatment/rehabilitation program prior to commencement of
17 probation, Respondent, within 45 days from the effective date of the decision, shall be enrolled in
18 a program. If a program is not successfully completed within the first nine months of probation,
19 the Board shall consider Respondent in violation of probation.

20 Based on Board recommendation, each week Respondent shall be required to attend at least
21 one, but no more than five 12-step recovery meetings or equivalent (e.g., Narcotics Anonymous,
22 Alcoholics Anonymous, etc.) and a nurse support group as approved and directed by the Board.
23 If a nurse support group is not available, an additional 12-step meeting or equivalent shall be
24 added. Respondent shall submit dated and signed documentation confirming such attendance to
25 the Board during the entire period of probation. Respondent shall continue with the recovery plan
26 recommended by the treatment/rehabilitation program or a licensed mental health examiner
27 and/or other ongoing recovery groups.
28

1
2 **16. Abstain from Use of Psychotropic (Mood-Altering) Drugs, including**
3 **Alcohol.** Respondent shall completely abstain from the possession, injection or consumption by
4 any route of all controlled substances and all psychotropic (mood altering) drugs, including
5 alcohol, except when the same are ordered by a health care professional legally authorized to do
6 so as part of documented medical treatment. Respondent shall have sent to the Board, in writing
7 and within fourteen (14) days, by the prescribing health professional, a report identifying the
8 medication, dosage, the date the medication was prescribed, the Respondent's prognosis, the date
9 the medication will no longer be required, and the effect on the recovery plan, if appropriate.

10 Respondent shall identify for the Board a single physician, nurse practitioner or physician
11 assistant who shall be aware of Respondent's history of substance abuse and will coordinate and
12 monitor any prescriptions for Respondent for dangerous drugs, controlled substances or mood-
13 altering drugs. The coordinating physician, nurse practitioner, or physician assistant shall report
14 to the Board on a quarterly basis Respondent's compliance with this condition. If any substances
15 considered addictive have been prescribed, the report shall identify a program for the time limited
16 use of any such substances.

17 The Board may require the single coordinating physician, nurse practitioner, or physician
18 assistant to be a specialist in addictive medicine, or to consult with a specialist in addictive
19 medicine.

20 **17. Submit to Tests and Samples.** Respondent, at her expense, shall
21 participate in a random, biological fluid testing or a drug screening program which the Board
22 approves. The length of time and frequency will be subject to approval by the Board.
23 Respondent is responsible for keeping the Board informed of Respondent's current telephone
24 number at all times. Respondent shall also ensure that messages may be left at the telephone
25 number when she is not available and ensure that reports are submitted directly by the testing
26 agency to the Board, as directed. Any confirmed positive finding shall be reported immediately
27 to the Board by the program and Respondent shall be considered in violation of probation.

28 In addition, Respondent, at any time during the period of probation, shall fully cooperate

1 with the Board or any of its representatives, and shall, when requested, submit to such tests and
2 samples as the Board or its representatives may require for the detection of alcohol, narcotics,
3 hypnotics, dangerous drugs, or other controlled substances.

4 If Respondent has a positive drug screen for any substance not legally authorized and not
5 reported to the coordinating physician, nurse practitioner, or physician assistant, and the Board
6 files a petition to revoke probation or an accusation, the Board may suspend Respondent from
7 practice pending the final decision on the petition to revoke probation or the accusation. This
8 period of suspension will not apply to the reduction of this probationary time period.

9 If Respondent fails to participate in a random, biological fluid testing or drug screening
10 program within the specified time frame, Respondent shall immediately cease practice and shall
11 not resume practice until notified by the Board. After taking into account documented evidence
12 of mitigation, if the Board files a petition to revoke probation or an accusation, the Board may
13 suspend Respondent from practice pending the final decision on the petition to revoke probation
14 or the accusation. This period of suspension will not apply to the reduction of this probationary
15 time period.

16 18. **Mental Health Examination.** Respondent shall, within 45 days of the
17 effective date of this Decision, have a mental health examination including psychological testing
18 as appropriate to determine her capability to perform the duties of a registered nurse. The
19 examination will be performed by a psychiatrist, psychologist or other licensed mental health
20 practitioner approved by the Board. The examining mental health practitioner will submit a
21 written report of that assessment and recommendations to the Board. All costs are the
22 responsibility of Respondent. Recommendations for treatment, therapy or counseling made as a
23 result of the mental health examination will be instituted and followed by Respondent.

24 If Respondent is determined to be unable to practice safely as a registered nurse, the
25 licensed mental health care practitioner making this determination shall immediately notify the
26 Board and Respondent by telephone, and the Board shall request that the Attorney General's
27 office prepare an accusation or petition to revoke probation. Respondent shall immediately cease
28 practice and may not resume practice until notified by the Board. During this period of

1 suspension, Respondent shall not engage in any practice for which a license issued by the Board
2 is required, until the Board has notified Respondent that a mental health determination permits
3 Respondent to resume practice. This period of suspension will not apply to the reduction of this
4 probationary time period.

5 If Respondent fails to have the above assessment submitted to the Board within the 45-day
6 requirement, Respondent shall immediately cease practice and shall not resume practice until
7 notified by the Board. This period of suspension will not apply to the reduction of this
8 probationary time period. The Board may waive or postpone this suspension only if significant,
9 documented evidence of mitigation is provided. Such evidence must establish good faith efforts
10 by Respondent to obtain the assessment, and a specific date for compliance must be provided.
11 Only one such waiver or extension may be permitted.

12 19. **Therapy or Counseling Program.** Respondent, at her expense, shall
13 participate in an on-going counseling program until such time as the Board releases her from this
14 requirement and only upon the recommendation of the counselor. Written progress reports from
15 the counselor will be required at various intervals.

16 **ACCEPTANCE**

17 I have carefully read the Stipulated Settlement and Disciplinary Order. I understand the
18 stipulation and the effect it will have on my Registered Nurse License. I enter into this
19 Stipulated Settlement and Disciplinary Order voluntarily, knowingly, and intelligently, and agree
20 to be bound by the Decision and Order of the Board of Registered Nursing.
